

Please read the following helpful information to help your visit to Gypsy Wood go smoothly.

Toilets

Toilets, disabled toilets and baby changing facilities are located within the shop and at the top of the park (number 26 on your map).

*(Regrettably at the present time there are no toilets located within the café, however this is something that we are working on).

Café

During peak times our Dragon Café can get very busy. We'd advise visiting a little earlier or later if you want to avoid the queues, and remember that hot take away drinks, cold drinks, ice creams, chocolates and crisps can be purchased from the shop.

Picnics

We have lots of beautiful picnic spots located around the park. We'd appreciate it you could please use one of these areas to eat your picnic and not within the café.

Fairy Princess

Our Fairy Princess is only at the park on certain days, so if you have come especially to see her, then please ask at the shop or check the activity board before entering the park to see if she is here whilst you visit.

Additional Activities

Donkey rides and face painting are independent to the park and do have an additional charge. They run on certain days only, please check activity board before entering the park.

If you have any feedback, comments or queries please feel free to email us at gypsywoodpark@btinternet.com

We hope you enjoy your visit!
